\* [REDACTED] Comment. [REDACTED] confirms the previous assumption that the 7th Gds Heer Div is on summer maneuvers in the Lieberose area. Most of the vehicle numbering series belong to this division. As only 2,000 troops were reported to be at Camp Lieberose, it is possible that other elements of the division are at temporary camps in the neighborhood. [REDACTED] stated that all Frankfurt/Oder and Fuerstenwalde units of the division were shipped out during the second half of April 1950. See (Mil) GEL-7024 and 7014. SO-43339x
